Who Caused the Raise in Milk Prices?

Men prominent in the milk drivers' union say that the milk dealers forced the "strike" that they might raise the price. True, the drivers got a share of the increase, but not at all in proportion to that the dealers receive. This is conspiracy pure and simple, and comes under the head of several statutes of the national and state government, and should be investigated by proper authorities. While many of us can afford to pay a penny more for the cream in our coffee, we should not forget the babies whose supplies must be limited by the price. Many were none too well fed before, and this increase almost means starvation.

Don't Expect Prices to Lower at Once

While we are still paying "war prices" on most of the commodities, we must not expect any great reduction for some time, and even at the best, the reduction cannot be to the pre-war prices, owing to the greatly increased price of labor and wages in every field, and the increase in taxes of all kinds. The stopping of emigration limits the hard labor supply, and the increase in price for everythings we use makes cost that must be met. People who are waiting for prices to lower will have some wait, and in the meantime every effort should be made to hunt out the profiteers, especialy on food products, and at least give the people a chance to live.

GOOD EYESIGHT

Is nature's greatest gift to mankind. Even though a hand or foot be missing, a man may still succeed in his calling, but brave indeed is he who persists after losing the sense of sight.

This precious gift of good vision should not be allowed to become impaired, either through misuse or neglect. If you have the slightest cause to suspect that your eyesight may be defective you should have an authoritive examination of your eyes made at once

INVEST YOUR MONEY WISELY
6%
The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city really. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood. The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and offering them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.
Send for our Illustrated Booklet describing these safe investments.

Window shades made to order at factory prices. Englewood Shade Factory, 1240 63rd St. Phone Went. 9489.—Advertisement. tf

Miss Julia Agnes Mulvihill of 6705 Halsted St. is in the class of graduates from St. Bernard's Hotel Dieu hospital training school that will graduate tomorrow afternoon.

Besides the new theatre being built at 63rd St. and Union Ave., there are well founded reports that another is to be built at 65th and Halsted Sts., and still another at 62nd and Halsted Sts. This part of town is sure some show place.

Mr. Wm. Ellis of Chicago Lawn Station and Miss Pauline Roetzheim, 5412 Sangamon St., were married at St. Brendan's church on May 28th. Fifty guests enjoyed the wedding breakfast and were there to bid the bride and groom Godspeed when they left to honeymoon in the Hawaiian Islands. We extend our best wishes.

George Hostler of 6415 May St. has been appointed a field secretary of the Knights of Columbus and left Saturday to assume his duties at Kelly Field, Texas, to look out for the welfare of the soldier boys in that camp. George is well fitted for the work and we are sure will make a good record.

W. B. Bacon, who formerly lived at 906 71st St., has moved to Washington Heights, 1210 100th Pl.

J. J. Funk, motion picture operator at the National theatre, touched a live wire Sunday at the theatre and was thrown to the floor, fracturing both shoulders. He was taken to the Englewood hospital.

Mr. and Mrs. E. N. G. Doerrer, 140 W. 25th St., celebrated their wooden wedding anniversary last Sunday. Mr. Doerrer is a clerk at Chicago Lawn postal station and he says the guests certainly showered him with interesting wooden articles toothpicks, matches, rolling pins, etc., in fact enough to keep warm if a coal shortage materializes. The correspondent adds congratulations.

In order to introduce our new soft coal, called Paramount, the coal without ash, we are making a special price of $8.00 per ton. This coal can be used in any stove or heating plant. We cover Chicago. Phone Stewart 76. J. B. MEINER & SON, sole distributor. (adv. tf.)

Also Mr. and Mrs. Carter DeHaven in their first screen comedy, "In a Pinch." On Monday, June 16th, matinee and night, the versatile Ethel

Six months in the making—hundreds of actors—magnificent sets, the lease of a complete railroad system, engines, cowboys, Mexicans, New York clubmen, pretty girls, villains, and what not. He was from Broadway—and went West to help his fellowmen—and what happened to the Arizona gendarmes and Mexican cops was a shame. "Doug" spent two and a half days making every minute of amusement that you get from this picture! He's made you wait a long time for one of his pictures, but now it's here! "Doug" thought out a lot of new stunts during that time.

A big benefit performance will be given at the Englewood Theatre Friday and Saturday evenings, June 13th and 14th, under the auspices of the Atlas Club and the Ogden Park Craftsman Club that promises to be the one big event of the season. The play "What Happened to Jones," a rollicking farce comedy that carries a laugh to every minute will be put on by an exceptionally fine cast and in addition there will be a chorus of 140 mixed voices from the Ogden Park Masonic Lodge and the Ogden Park Eastern Star Chapter. The program is arranged to give everyone a very enjoyable evening and everyone is invited. Remember the Englewood Theatre at 63rd St., just east of Halsted St. and be on hand one of these evenings.

Of Course We Are All Honest, But—?

It is our rule to insist upon payment in advance of all advertisements in our classified columns, but personal appeals by telephone and mail, innumerable and very plausible excuses have caused us to violate it, and since the first of the year we find just $64.35 due us from these friends who "will send the money right away." We have been to the expense of bookkeeping amounts from 25c to $1.50, have had to make entries, confused our system, and suffered this loss, just to be "a good fellow." We cannot afford to keep books in this department and henceforth this rule will be enforced indiscriminately, and in the meantime if any who know they owe us these small amounts feel like mailing it to us, we are in a receptive mood right now.

Now Effective

On January 21, 1919, the Postmaster General established new interstate and intrastate telephone toll rates. The intrastate rates were not charged because of an injunction issued by the Superior Court of Cook County.

The recent decision of the United States Supreme Court empowers the Postmaster General to fix telephone rates, and the intrastate toll rates formerly announced by the Postmaster General will now apply in the state of Illinois.

The basis of charge for all tolls and long distance messages is explained on pages 8 and 9 of the current issue of the telephone directory.

ENGLEWOOD THEATRE

Benefit for Atlas Club

A big benefit performance will be given at the Englewood Theatre Friday and Saturday evenings, June 13th and 14th, under the auspices of the Atlas Club and the Ogden Park Craftsman Club that promises to be the one big event of the season. The play "What Happened to Jones," a rollicking farce comedy that carries a laugh to every minute will be put on by an exceptionally fine cast and in addition there will be a chorus of 140 mixed voices from the Ogden Park Masonic Lodge and the Ogden Park Eastern Star Chapter. The program is arranged to give everyone a very enjoyable evening and everyone is invited. Remember the Englewood Theatre at 63rd St., just east of Halsted St. and be on hand one of these evenings.

Of Course We Are All Honest, But—?

It is our rule to insist upon payment in advance of all advertisements in our classified columns, but personal appeals by telephone and mail, innumerable and very plausible excuses have caused us to violate it, and since the first of the year we find just $64.35 due us from these friends who "will send the money right away." We have been to the expense of bookkeeping amounts from 25c to $1.50, have had to make entries, confused our system, and suffered this loss, just to be "a good fellow." We cannot afford to keep books in this department and henceforth this rule will be enforced indiscriminately, and in the meantime if any who know they owe us these small amounts feel like mailing it to us, we are in a receptive mood right now.

New Telephone Toll Rates
Now Effective

On January 21, 1919, the Postmaster General established new interstate and intrastate telephone toll rates. The intrastate rates were not charged because of an injunction issued by the Superior Court of Cook County.

The recent decision of the United States Supreme Court empowers the Postmaster General to fix telephone rates, and the intrastate toll rates formerly announced by the Postmaster General will now apply in the state of Illinois.

The basis of charge for all tolls and long distance messages is explained on pages 8 and 9 of the current issue of the telephone directory.

SULLIVAN'S SENSE AND NONSENSE

Make a little, take a little,
And a little save;
Spend a little, lend a little,
'Void a pauper's grave!

Fight a little, write a little,
Play a little game;
Get a little, fret a little,
Win a little fame.

Woo a little, coo a little,
Get a little wife;
Die a little, die a little—
End a little life!!

"I'd say it is" doesn't mean anything, but it is the latest chic slang just the same.

The war may be over but the worst is yet to come when every fellow that thinks he can write will insist upon writing a history of the late unpleasant affair.

Answering an anonymous writer—sure I know there are lots of people that don't agree with me, if they did they would be as crazy as I am and possibly in the newspaper game also.

Rates at the summer resorts have been nearly doubled, but you won't get nearly the amusement out of them you would by spending the vacation at home and resting up at our many home resorts.

Preparations are being made in many of the big down town resorts for a grand (?) farewell celebration of the burial of "Old Man Booze." If the burial is deep enough there will be many big heads the next morning and thus add to the grief of the celebrants on the morning of July 1st.

These are the days a fellow would like to be back to the time when he used to hitch his trousers on with a shingle nail and one suspender, and with a cut pole fish all day in "the branch" for suckers or red horse, and usually catch a sun burned back and a good licking. Them were the happy days—oh me! oh my!

There was no doubt about it. Pat was in a bad state. His nose had assumed twice its normal dimensions, his left eye had gone in for art shades and he badly wanted a new set of teeth. "Shure, and it was that baste Maloon did it!" he remarked in reply to his wife's indignant question. "Phwat? D'ye mean to say as ye were licked by a mean, grousy, little whippersnapper loike Maloon? Why, he—" "Whist!" said Pat painfully. "Don't shpake evil av the dead!"

The new foreman was a hustler. Nothing escaped his eagle eye and whenever he saw a workman suffering from a tired feeling he quickly woke him up. So when he discovered a bricklayer snatching a quiet pipe behind a wheelbarrow his wrath arose mightily. "What do you think you're paid for? Get on with your job, i' you don't want to get fired pretty sharp." "All right, guv'nor," rejointed the workman. "Keep your hair on. Rome wasn't built in a day, you know." "That may be," rejoined the hustler, "but I wasn't foreman of that job."

Loretto Graduates

On Thursday afternoon the Loretto Graduates are to be entertained at a luncheon in the Loretto assembly room, by the Juniors, who are preparing with marked enthusiasm a program of rare attraction, an important feature of which will be the Class Will by Miss Kathryn Miller, the junior Class-President.

The graduates will appear on Tuesday evening in "The Cross Above the Crescent," a clever little play, depicting christian heroism, a mother's love, deep perfidy and subsequent repentance, and ending with a splendid climax. We wish them success and expect them to keep up the Loretto record for excellence.

A Daily Vacation Bible School in Normal Park

The Normal Baptist Church is contemplating setting up a daily Vacation Bible School in that church this summer, beginning probably Monday, June 30. This enterprise has been carried on with great success by many churches of various denominations for some years past in Chicago and other cities, and has proven itself one of the most interesting and helpful forms of summer activity for boys and girls. Besides Bible study the program will include a kindergarten for the younger children, and for the older children craft work, such as making hammocks, baskets, toys, scroll saw work, etc., games, picnics, visits to the major league ball games, and other equally interesting items. A lecture illustrated with stereopticon views and an exhibit of work done in such schools will be given in church Sunday evening next at 8 o'clock. Admission is free, and it is hoped to interest the parents of many children who may be able to attend. The church is located at the corner of 70th St. and Stewart Ave.

"Anarchy or Law" Dr. White's Second Lecture

The subject is so large that not one session could do it justice, so Dr. R. A. White will deliver his second sermon on "Anarchy or Law" next Sunday morning at the Peoples Liberal Church. An open discussion will follow and it will be most interesting to hear the views of many who have thought and read much on this subject, as well as the discourse of the learned lecturer. The American people are beginning to realize that now that peace has come, we still have other important matters to settle, and none more so than the subject of this lecture. It is the duty of everyone to learn all they can on the subject, and we know of no means that they can get more reliable, trustworthy information than by listening to Dr. White, the most level headed of lecturers on this subject. Dr. White's years of travel in all lands; his studies and intercourse with men and things of national character, makes him an authority, and no one may express them more clearly than our own student. The church should be crowded as it is always comfortable and well ventilated, and everyone is cordially welcome at all services at Dr. White's church.

Holy Name Society to Meet Sunday

The second quarterly meeting of the Holy Name Society will be held at Holy Angels Hall, Oakwood Blvd and Vincennes Ave., Sunday, June 15th, at 3 P. M. The meeting will be addressed by the spiritual director, Rt. Rev. A. J. McGavick, D. D. All Catholic men in the Archdiocese who are interested in the boy problem are invited.

Boy Scouts of America Southwest District

We are in the midst of the greatest week in Scout History. The talk of the country is Scouting.

The Boy Scout Parade of last Saturday afternoon showed Chicago an army of future men that it should be proud of. The largest fife and drum corps of Scouts in the parade was the one from Southwest District. 55 Scouts from the troops of the Southwest District made a magnificent showing, over 200 Scouts made an excellent appearance in the line.

Troop 602 can boast of a hero in Scout Fred Walker, a boy of 15 years. While swimming in Marquette Park one day last week a small boy fell into the water, and Fred, although no expert swimmer, but having a dwarfed left hand, swam to the lad and rescued him. An effort is being made to secure a medal for heroism for Fred.

A Scout get-together will be held next Sunday afternoon at Covenant Baptist Church, 61st and Normal Blvd., at 3 o'clock. There will be a number of speakers and good music. Troops are requested to march in a body. Men and women are welcome also and urged to come.

The final contest from Southwest District for awards will be held Thursday, June 19, at Chicago Normal College at 7:30 o'clock. Everybody invited.

Graduating and Closing Exercises of St. Bernard's School

The closing exercises of St. Bernard's School will be held on Sunday afternoon, June 15th, at 3 o'clock in St. Bernard's Hall. The boys will present "The Making of Larry," a Boy Scout play. The girls "When Every Day Is May," a musical comedy. The minuet by the little tots is sure to take the hearts of the audience by storm with a close rival in the dainty little Quakeresses. On Tuesday evening at 8 o'clock the graduating exercises will take place. The principal dramatic feature of the evening will be the graduates' play "The Cross Above the Crescent."

Of Interest to Coal Buyers

Our advice to the coal buying public is get quality. Quality means a whole big lot, it means pure coal. Pure coal means no slate or stones, very little ash and no clinker. The results are lots of heat and satisfaction. Our 25 years' experience in the coal business taught us to buy the best grades of coal regardless of price. That's why our patrons are protected against inferior grades of coals. Quality and satisfaction are worth paying for and is the cheapest in the end. Whereby cheap and bad coal is very dear in the end. Any further information desired, we will gladly give it and assist you in any way possible, whether you buy or not. Phone Stewart 70. We cover Chicago. J. B. MEINER & SON, 71st and C. R. I. & P. R. R.

VanWie-Sullivan Wedding

One of the most beautiful home weddings of the season occurred on Tuesday evening, June 10th, at the home of Mr. and Mrs. F. C. VanWie, when their daughter Minnie Louise became the bride of Mr. Harry Sullivan, son of Mr. and Mrs. A. R. Sullivan of Iowa Falls, Iowa. Rev. C. G. Kindred officiated.

The bride wore a handsome gown of white satin. Her tulle veil was fastened with forget-me-nots, and she carried a shower bouquet of white roses. Under an arbor of greenery and peonies she was married.

Miss Francis VanWie was maid of honor; Miss Ethel Miller, bridesmaid, and Mrs. Charles Wellman, matron of honor. Little Isabella Thompson, flower girl, and Master Charles Wellman, ringbearer. The ribbon stretchers were Virginia VanWie and Alberta Lewis; Frank Oaten, Dean Cobb and Carleton Burlingame served as ushers, and Mr Charles Wellman as best man.

During the evening the Delos Owen Orchestra furnished most appropriate music, and a duet and solos were rendered by Misses Fern McClelland and Edna B Wilder. At the end of a perfect evening the young couple left on a two weeks' honeymoon trip, and will be at home to their friends after September 1st at 6242 South Park Ave. The out-of-town guests were Mrs. Matt Franz, Carleton Burlingame, Mr. and Mrs. A. R. Sullivan of Iowa Falls Iowa; Misses Dymond of Lake Zurich, Ill; Mrs. Harry G. Ward and Mrs. C. T. Jones of Big Rapids, Mich; Mr and Mrs. W. E. Becker of Cincinnati, Ohio, and Mrs. A. R. Moon of Burdette, Iowa.

Statement by B. E. Sunny

The operations of the Chicago Telephone property since January 1st show losses as follows: January, $127,800; February, $172,600; March, $242,900; April, $168,240.

In the nine months that it has been operated by the United States Government the deficit has amounted to $1,950,000, or at the rate of about $2,600,000 per annum. The explanation is, as everybody knows, that the war condition has greatly increased operating costs of every description especially wages. The wages of the 15,000 employees of the Company have been increased several times during the past three years in an amount exceeding $3,000,000 per annum. The telephone rates remained the same as were fixed by the City Council in 1913. To meet this heavy loss, the Postmaster General has announced a new schedule of rates which will be put into effect as soon as possible.

In Chicago all flat rates are abolished and measured rates substituted therefor. This change has been discussed for many years by the council committee and should have been made long ago. It is a matter of record that seven different experts employed by the City Council at various times to investigate the telephone service and rates since 1902, have condemned the flat rate practice and recommended the adoption of measured rates.

About 10% of the telephones in Chicago are on a flat rate basis and create about 35% of the calls and produce only 17% of the revenue. We estimate that the change to measured service will eliminate about 80,000,000 calls a year, most of which are of little value, and will greatly relieve the operators and improve the service. The new schedule abolishes the following classes of service: Single Party Line business telephones at $125.00 per annum; "Dollar a Day" trunk lines between the exchanges and Private Branch Exchange Switchboards; Neighborhood business telephones, single party line, $48.00, two party line, $36.00, four party line, $24.00; Single Party Line residence telephones at $72.00 per annum; Two Party Line residence telephones at $56.00 per annum; Neighborhood residence telephones, single party line, $36.00, two party line, $24.00, four party line, $18.00.

Service will be furnished to all business telephones as follows: Single Party Line and 80 messages for $4.00 a month, the next 20 messages 5c each, the next 100 messages 4c each, the next 100 messages 3c each, all messages over 300 2½c each.

This rate is the same as before except that excess messages cost from ½c to 1c more.

Private branch exchange switchboards which heretofore have been furnished free are charged for at a moderate price.

Residence service on a single party line will cost $3.75 a month for 75 messages. The next 50 messages will be charged for at 4c each. The next 50 at 3c each, and messages beyond 175 at 2½c each.

Two party residence service will cost $2.75 a month for 55 messages, and excess messages 4c each.

Many subscribers who do not use in excess of the guaranteed number of calls will pay much less for their service than heretofore.

The equipment on the subscribers' premises will be the same as now. The messages will be registered on meters in the exchanges.

There are about 270,000 of the four party line "nickel a day" telephones. Even in pre-war times this service was furnished at a loss variously estimated at from $2.00 to $6.00 per telephone per annum. There will be no increase in the charge for calls, but the subscriber is required to guarantee 6½c a day instead of 5c. Putting it another way, the subscriber will be required to pay for 40 messages a month instead of 30, at five cents each. A large percentage of the subscribers will not be affected by this change for the reason that they already use more than 40 messages per month.

The system of credits by which coin-box subscribers in the current month get calls without charge to the extent of guarantees for shortages made up in the previous month, is done away with.

In the Suburban Division and in the larger exchanges the single line business telephone rate is increased from $4.00 to $5.00 per month; the two party rate from $3.00 to $4.00; the single line residence rate is not changed, but the two party rate is increased from $2.00 to $2.50, and the four-party from $1.50 to $2.00.
